

**ROUND MOUNTAIN WATER AND SANITATION DISTRICT
RESOLUTION NO. 2019-4**

**RESOLUTION TO INCREASE THE NON-REFUNDABLE SET UP FEE
TO BE CHARGED TO NEW USERS OF THE DISTRICT'S WATER VENDOR MACHINE**

WHEREAS, RMWSD has sold water to individuals and others who are not directly connected to the district's water system since April 2016 through its bulk water vendor, and;

WHEREAS, it is appropriate for not-established (new) bulk water customers to pay a non-refundable set-up fee and a refundable deposit fee at the time a new account is set-up, prior to receiving a pin number to access the water vendor machine, and;

WHEREAS, RMWSD has determined that the original \$5.00 non-fundable set-up fee does not cover the cost involved in setting up the new bulk water customers and should be increased to \$20.00, and;

WHEREAS, it is usual and customary for utility companies to require a deposit at the time a new account is established, and;

WHEREAS, the district has a duty to protect its resources by adopting policies that minimize the risk of uncollectible account balances, and;

WHEREAS, public notice of a Public Hearing of intent to consider this change on this date was properly posted at least 30 days prior to the meeting.

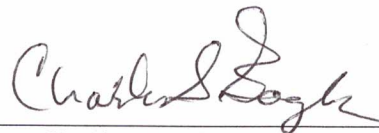

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE ROUND MOUNTAIN WATER AND SANITATION DISTRICT, COLORADO:

That a non-refundable \$20.00 set-up fee will be charged to all new bulk water vendor customers at the time of setting up an account, and;

Also, at the time of creating a new account, a \$15.00 deposit will be charged to cover the first 1,000 gallons of water obtained through the water vendor machine. The \$15.00 deposit will be applied as a credit to the customer's account,

This policy will continue until such time as it is changed by the Board of Directors in accordance with applicable rules.

ADOPTED, this 17th day of October, A.D. 2019
